

Immigrant SUCCESS PLANNING

A Multicultural Event

When Atta Arghandiwal came to America, he found that many immigrant self-help books focused on just one or a few topics, while others were so complicated that they were discouraging rather than helpful. So, he created a condensed lifestyle guide for immigrants—a road map for the whole family.

Today, Atta shares his insights with others who are eager to make the transition into a new life in North America. His book is filled with proven tips and strategies for success that can be used from the birth of a child to retirement and beyond.

When: April 10, 6-8:30pm
Where: Nikkei Cultural Centre
6688 Southoaks Crescent,
